

Thomas R. Greer

PROJECT ROLE: KH Senior Consultant

FOCUS: Thomas R. Greer has more than 35 years of senior executive experience in municipal government, health care, insurance, merchandising, and consumer finance. His extensive career as a chief administrator in a large urban setting provides valuable insights into political, governance, service delivery, and change management issues in government.

Mr. Greer has attended and presented numerous programs on the consulting process, change management, management and organizational design, and various aspects of organizational performance. He is a past member of the Canadian Operations Research Society.
